

## CORE IDEALS AND VALUES

What are the core ideals and values of (CHM) Inc.? It is a body of information derived from a unique experience. This unique experience is the foundation of our approach. This approach serves as an expression of an opportunity and appreciation of our core values.

Now the extension of these core values is to promote the understanding of them, by learning how to temperamentally tolerate them, and then master them, confide in them with confidence and finally respectfully demonstrating the ability to duplicate them in a civil and human manner.

THE CORE IDEALS AND VALUES ARE:
